

# TranzCom

## JOIN US DURING IT-TRANS (10-12/05) DM-ARENA | Stand Y12 Messe Karlsruhe

Discover our public transport Radio and Audio Solutions including PTT over LTE.

Tranzcom offers the right expertise to provide certified and fully integrated communications solutions for your rolling stock.

Over the years, we have proven the ability to design and customise modular on-board solutions perfectly suited to the needs of public transport companies.

- Railway certified EN 50155 & UNECE 10
- LTE, Tetra, DMR on-board communication module
- Centralized Audio & communication management System (PA, PIS, IC)
- Cabin <-> Dispatching, Passenger <-> Dispatching, Passenger <-> Cabin

Thanks to its complete mastery of design, TranzCom can adapt system layout to every vehicle design.

Visit us at **Stand Y12** and find out at first-hand how you can benefit from our customer-oriented solutions to meet your specific requirements!

We look forward to welcoming you to our stand during IT-Trans (10-12 May 2022).

If you can't join us, we're delighted to visit you for a personal demonstration.
